

Letter from the President

Hi everyone just an update from the club, and the activities we have attended and the activities we plan on attending over the next little while.

Well the cruise and car show season has been kind to us so far this year, with the exception of the SNOW and shine a couple of us attended in Bethany back in May.

April we hosted our first annual membership meeting at the Best Western in Peterborough and had some great new members join us, Again Welcome. We have attended cruise nights at both Warsaw and Bridgenorth some people even won prizes and 50/50 right guys. (You know who you are)

On April 13th we were invited by our Neighbors from the Oshawa Corvette Club www.corvettesofdurham.com to join them for their Spring Cruise, what a great day after a less than promising start, all went well with the weather, we cruised to Bobcaygeon for lunch and conversation, then off to Fenelon where some off our better halves indulged in a little shopping, by the time we left Fenelon we had our T-Tops and Convertibles open enjoying the sun as 25 Vettes cruised the beautiful countryside

We ended up the day with Dinner at Haugen's in Port Perry. Great strawberry pie!! Their the President of Durham's club, Ron Boulter thanked us for joining them, we said our good-byes and headed Home.. What a great day and a great cruise to start the season.

June was a busy Month, as we attended several shows and cruises; I attended the Fleetwood Farm cruise-in held in London wow what Great cars, approx 1000 cars and over 500 corvettes from Canada and the US.

Several of us attended the Corvettes of Durham Car show on Fathers Day, It was Hot that day, however the Ice cream truck helped and maybe winning a set of tires made me feel better. Also on fathers day some other members attended the annual show and shine at the Peterborough Zoo, always a good turnout for that show.

June shows some of us also attended includes the Hillfest Corvette Show in Richmond Hill and the CCO show at Gateway in Brampton, and we still find time to meet most Tuesday and Wednesday for our local cruises.

During our June monthly meeting we proposed Hosting our own show in the spring of 2007 and it was welcomed by the membership We had several people step forward to offer to be the Car show organizers, this was well received, much planning and preparation to follow in the next couple of months, stayed tuned for updates and a Confirmation of the date and place....

July will be as busy as June with shows and stuff. On the 8th our club attended 2 shows with some going to the Corvette forum hosted show at Legendary Motor cars in Milton, what a class act those guys are, they opened up their showrooms did great tours of all departments, visited the Dream Car Garage set and watched 6 of the show guest Dyno their cars including a 2006 Z06 and a radical N/A Z06 with 510 to rear wheels. Speaking radical I hear we have a club member with over 535 at the rear wheels and dyno slips to prove it, Right Mr. yellow Z06, I don't want to give away his name, anyway on the 8th also half the other members went to Millbrook for a great day I hear it was a little warm their also..

The very next Day most of us went to Keene for their show 326 cars I heard was the number, we went early and got a nice shady spot even though I wanted to park in the sun I was over ruled

Don with his 64 427 convertible took best vette congrats Don from all of us, the club also managed to get another one for best GM at show for a 99 convertible. We missed a trophy for best club support by 2 cars Next year that one is ours mark the date now...

This past Weekend was classics on Kent I don't have an update yet by I can tell you the mosquitos were bad at the cruise in at the Drive in Friday night as Myself and your vice-president Kevin, with our wives enjoyed the movies outside. On a warm summer evening, doesn't get any better than that.

The Best of the Best car show was on Sunday the 16th at Roy Foss in Toronto, hosted by the Upper Canada Club, good show, our Neighbors from Oshawa picked up Best of Show in 4 classes and best club support with 16 cars out. Congrats to all of them.

Couple of things to remember that are coming up soon, Regular monthly meeting and cruise on Tuesday 25th Of July, Meeting at Tim's on Water street by Trent at 6:00 Pm (Joe we said 6:00 PM) August 5th Bowmanville car show I think some of us are attending that one.

Wasaga Beach Sunday the 20th let me know if interested. It's still not to late to decide to go to Carlisle on the 23,24,25,26 and 27th of August. Speaking of the 27th we have a very generous invite to join COD. At Autofest at GM headquarters, great parking right in front of main Entrance I need to know ASAP to get back to COD to book it.

Just a note of a couple more upcoming events that we would like to see most of our members try to attend

(1) Tuesday July 25 Monthly meeting and cruise to Bridgenorth 6:pm at Tim's on Water Street by Zoo

(2) August 3rd Noon on hwy 115 start at 2: PM should be there by 4:30 Tim's Ash. and Lans. 4 o'clock

(3) August 5th Bowmanville show at Mosport I need to register and give sizes of t-shirts by Tuesday bring \$10.00 to meeting, Great Show

(4) August 6th Canadian Tire 6-9 pm Local show always a good turnout good PR Show... Need a good showing to boost club interest..

(5) We were invited by COD (corvettes of Durham) to join them for Auto fest on 27th of August I Need to give them a number PLEASE let me Know by Tuesday .

Wayne is working on the fall cruise already and I'm sure it will be a great one.
Is it just me or will summer soon be over and our Corvettes put away for another Season

One last thought before I leave:

This is our club lets everyone work to make it one of the Best Corvette Clubs in Ontario

REMEMBER SAVE THE WAVE-----Terry Mackey COP
